## BALANCE SERIES

# Audio/Video Stands

THE BALANCE SERIES is perfect for those individuals who want to enter the fine world of quality audio/video furnishings. Visually pleasing, the BALANCE Series makes a real statement about every owner's commitment to a complete audio/video experience. The high grade smooth edged safety glass (the top shelf is 1/2" [ 12mm ] thick) adds a luxurious aura to any room.

Available in a choice of luxurious natural woods - Espresso (E) and Walnut (W). The beauty and genius of the design allows for easy assembly (*approximately 5 minutes*).
