

TRIPLE PLAY™

TV Shown Mounted on Swivel Pole

TRIPLE PLAY™ UNIVERSAL FLAT PANEL A/V SYSTEM

*T*his modern and versatile design offers three configuration options to meet your room layout and display needs. It can accommodate most Flat Panel TVs up to 46" or 125 lbs. and at least 4 audio/video components. The rear mounting frame and universal swivel mounting system can be removed so that the system can be used as a 3-shelf stand-alone table. Or the swivel mounting pole can be removed and the TV can be hung on the included swivel wall mount. It features a hand painted metal front frame in a Dark Cherry finish and Black tempered safety glass shelves and Black scratch resistant powder-coated metal. The open architecture provides superior ventilation and includes an integrated CMS® Cable Management System to hide and organize unsightly wires and interconnect cables.
